

APOLLO'S MOON SHOT

AR

Celebrate the 50th anniversary of the Moon Landing with an immersive AR app that is the perfect companion to Smithsonian Channel's six-part series.

Download for free and blast off into space with us!

Features:

- Launch your own Saturn V rocket, sit inside the Lunar Command Module of Apollo 11, and step through a portal to explore the lunar landscape
- Watch clips from Smithsonian Channel's "Apollo's Moon Shot"
- Play AR simulation games
- Take a selfie on the moon
